

Directions for Friday events

Drop Pin:

[Hojel Auditorium](#)

[Pangea Parking Lot](#)

Other Directions:

[UCSD Wayfinding Map](#)

[Friend Plaza](#)

[Great Hall](#)

If coming from areas to the north of campus:

Take I-5 to Genessee Avenue. Go west (right) on Genessee, go up the hill, and turn left on North Torrey Pines Road. Go approximately .6 miles on North Torrey Pines Road then turn left on Pangea Drive. You should park in the Pangea Parking Lot, which is on the immediate left once you turn onto Pangea Drive. You will need to buy a parking permit from one of the kiosks.

If coming from areas to the south of campus:

Take I-5 to Genessee Avenue. Go west (left) on Genessee, go up the hill, and turn left on North Torrey Pines Road. Go approximately .6 miles on North Torrey Pines Road then turn left on Pangea Drive. You should park in the Pangea Parking Lot, which is on the immediate left once you turn onto Pangea Drive. You will need to buy a parking permit from one of the kiosks.

Parking and Conference Location - Friday:

As shown in the insert of the campus map below, to get from Pangea Parking Lot to Hojel Auditorium and Friend Plaza (where the Friday events will be held), exit the parking lot onto Pangea Drive and turn left. Follow it as it jogs to the right and becomes Thurgood Marshall Lane. Continue for one block and turn left on International Lane. Continue until it becomes a parking lot; at that point, Hojel Auditorium and Friend Plaza will be on your right (in the map insert below, Hojel Auditorium and Friend Plaza are labelled as the Copley International Conference Center, which is part of the same complex). Below the map is a picture of the Hojel Auditorium and Friend Plaza:

Mathew McCubbins Memorial Conference – Parking & Directions

If you are staying near campus and will not be coming to the area on I-5, the directions will vary depending upon your exact location.

- Most of the hotels are on or near La Jolla Village Drive, Genesee . If you are near it, head west as it goes up the hill and winds around the south end of campus and becomes North Torrey Pines Road. Follow it until Pangea Drive, then follow the instructions given above to those coming to campus from I-5 north or south.
- For those staying in La Jolla Shores or downtown La Jolla, make your way back to North Torrey Pines Road, follow it until Pangea Drive. Follow it until Pangea Drive, then follow the instructions given above to those coming to campus from I-5 north or south.

If you plan to walk across campus to get to the events and are unfamiliar with campus, your best bet is probably to get directions from Google Maps. The campus is sprawling and convoluted; it is not obvious where a pedestrian would enter campus, and attempting to work out directions for all possibilities is infeasible. But in general, one would want to make their way toward the northeast section of campus, where the events are located.

Parking & Conference Location- Saturday:

All directions are the same for Saturday inasmuch as people should head for the Pangea Parking Structure. Upon exiting it onto Pangea Drive, however, one need only turn left and cross the street, which will put you at the Great Hall—where Saturday's events will be. This is shown on the insert map above.
